1           MR. PETERS: Okay. So you're assuring --  
2 you're dissuading me from asking the question  
3 because you're telling me it's been asked and  
4 answered?

5           MR. SINGLETON: That's correct.

6           MR. PETERS: Okay. That's fine.

7           Q. All right. Let me direct you, again, to  
8 Exhibit 35. If you could take a look at paragraph  
9 11, which is --

10          MR. SINGLETON: What is 35?

11          MR. PETERS: It's the Banter settlement.

12          MR. SINGLETON: I get copies of everything,  
13 and then I don't bother to keep them where I can get  
14 at them.

15          MR. PETERS: Well, it happens to the best  
16 of us.

17          Q. So here's the question. Paragraph 35 --  
18 I'm sorry. Paragraph 11 just says:

19                    "Plaintiff's attorney has made a  
20 thorough investigation of the subject  
21 property and represents through  
22 plaintiff that he is not aware of any  
23 other violations of any laws  
24 governing access to the disabled at  
25 the subject property."

1           My -- I guess my question to you is, to the  
2 best of your knowledge, is that correct?

3           MR. SINGLETON: That was a term that  
4 defendant's attorney wanted.

5 BY MR. PETERS:

6           Q.    But is it true?

7           MR. SINGLETON: I don't think I ever went  
8 to the property.

9 BY MR. PETERS:

10          Q.    Okay. I'm asking the witness, and --

11          A.    Is this the -- this is the inside of the  
12 theater.

13                As I repeated to you -- as I said to you  
14 earlier, my evaluation of the property was only in a  
15 darkened theater. Anything else that was discovered  
16 there was through discovery and a site survey  
17 completed by Mr. Ron Mincer.

18          Q.    Okay. But --

19          A.    And so I would have no knowledge whether  
20 it's been completed or not.

21          Q.    Well, let me ask you this. On --

22          A.    I believe, if you look in there, they had a  
23 length of time to complete the work.

24          Q.    Well, I'm -- let me ask you this way. On  
25 the last page, is that your signature?
